HRSA Electronic Handbooks (EHBs) Registration Requirements

The Project Director of the grant (listed on this NoA) and the Authorizing Official of the grantee organization are required to register (if not already registered) within HRSA's Electronic Handbooks (EHBs). Registration within HRSA EHBs is required only once for each user for each organization they represent. To complete the registration quickly and efficiently we recommend that you note the 10-digit grant number from box 4b of this NoA. After you have completed the initial registration steps (i.e., created an individual account and associated it with the correct grantee organization record), be sure to add this grant to your portfolio. This registration in HRSA EHBs is required for submission of noncompeting continuation applications. In addition, you can also use HRSA EHBs to perform other activities such as updating addresses, updating email addresses and submitting certain deliverables electronically. Visit <https://grants3.hrsa.gov/2010/WebEPSExternal/Interface/common/accesscontrol/login.aspx> to use the system. Additional help is available online and/or from the HRSA Call Center at 877-Go4-HRSA/877-464-4772.

Terms and Conditions

Failure to comply with the remarks, terms, conditions, or reporting requirements may result in a draw down restriction being placed on your Payment Management System account or denial of future funding.

Grant Specific Term(s)

1. This action reflects a new document number. Please refer to this number when contacting the Payment Management System or submitting drawdown requests. Reporting on the Federal Financial Report (FFR) SF-425 Federal Cash Transaction Report (FCTR) should reflect this number for all disbursements related to this project period.
2. The requirements of 48 CFR section 3.908 (found at <http://www.ecfr.gov>) implementing section 828 of the National Defense Authorization Act (NDAA) for Fiscal Year 2013 (Pub. L. 112-239, enacted January 2, 2013) entitled "Pilot Program for Enhancement of Contractor Employee Whistleblower Protections" apply to this award. This notice requires that grantees inform their employees in writing of employee whistleblower rights and protections under [41 U.S.C. 4712](#) in the predominant native language of the workforce. The details of 41 U.S.C. 4712 can be found at <http://uscode.house.gov/browse.xhtml>. (regarding 48 CFR section 3.908, note that use of the term "contract," "contractor," "subcontract," or "subcontractor" for the purpose of this term, should read as "grant," "grantee," "subgrant," or "subgrantee").
3. Effective December 26, 2014, all references to OMB Circulars for the administrative and audit requirements and the cost principles that govern Federal monies associated with this award are superseded by the Uniform Guidance 2 CFR 200 as codified by HHS at 45 CFR 75.
4. The funds for this award are sub-accounted in the Payment Management System (PMS) and will be in a P type(sub accounted) account. This type of account allows recipients to specifically identify the individual grant for which they are drawing funds and will assist HRSA in monitoring the award. The P sub account number and the sub account code(provided on page 1 of this Notice of Award) are both needed when requesting grant funds. You may use your existing PMS username and password to check your organization's P account access. If you do not have access, complete a PMS Access Form (PMS/FFR Form) found at: http://www.dpm.psc.gov/grant_recipient/grantee_forms.aspx and send it to the fax number indicated on the bottom of the form. If you have any questions about accessing PMS, contact the PMS Liaison Accountant as identified at <http://www.dpm.psc.gov/contacts/contacts.aspx?explorer.event=true>.
5. Due to the provision of partial funding, this award is being made without itemized reporting requirements. Award recipients are reminded of the continuation of FY2015 specialized reporting requirements and provided reference to previous HRSA guidelines and instructions. Subsequent FY2016 reporting requirements to include defined due dates will be contained on the final FY2016 NoA. Failure to comply with reporting requirements will result in deferral or additional restrictions for future funding decisions.
6. Consistent with Departmental guidance, HRSA recipients that purchase, are reimbursed or provide reimbursement to other entities for outpatient prescription drugs are expected to secure the best prices available for such products and to maximize results for the grantee organization and its patients. Eligible health care organizations/covered entities that enroll in the 340B Program must comply with all 340B Program requirements and will be subject to audit regarding 340B Program compliance. 340B Program requirements, including eligibility, can be found at www.hrsa.gov/opa.
7. The recipient is required to establish and maintain a process for protecting client confidentiality throughout the project period. Client confidentiality requirements apply to all phases of the project.
8. Funds awarded for pharmaceuticals must only be spent to assist clients who have been determined not eligible for other pharmaceutical programs, especially the AIDS Drug Assistance Program, or while they await entrance into such programs, and/or for drugs that are not on the State ADAP or Medicaid formulary.
9. The recipient must maintain EMA/TGA political subdivision expenditures for HIV-related activities at a level which is not less than the level of expenditures for such activities during the one-year period preceding the fiscal year for which the applicant is applying to receive the grant (see Section 2605(a)(1)(B) of the PHS Act).

10. All providers of services available in the Medicaid State plan must have entered into a participation agreement under the State plan and be qualified to receive payments under such plan, or receive a waiver from this requirement.
11. Please note that with this action the draw-down restriction is being removed. Submission of the SF-270 is no longer required.

Program Specific Term(s)

1. As outlined in the HRSA HIV/AIDS Bureau (HAB) December 2, 2010 Program Letter (<http://hab.hrsa.gov/manageyourgrant/pinspals/preexposureltr1012.pdf>), Ryan White HIV/AIDS Program (RWHAP) funds cannot pay for pre-exposure prophylaxis (PrEP) or non-occupational Post-Exposure Prophylaxis (nPEP) as the person using PrEP is not HIV infected and the person using nPEP is not diagnosed with HIV prior to the exposure and therefore are not eligible for RWHAP funded medication.
2. These funds may not be used for the following: cash payments to intended recipients of services, purchasing or construction of real property, international travel, Pre-Exposure Prophylaxis (PrEP) or non-occupational Post-Exposure Prophylaxis (nPEP), or payments for any item or service to the extent that payment has been made, or reasonably can be expected to be made, with respect to that item or service under any State compensation program, insurance policy, Federal or State health benefits program or by an entity that provides health services on a prepaid basis (except for a program administered by or providing the services of the Indian Health Services).
3. The Ryan White HIV/AIDS Program legislation specifies criteria for the expenditure of Part A funds as follows: The recipient may not use more than ten percent (10%) of total grant funds for direct and indirect costs associated with administering the award (including Planning Council or planning body expenses), and in accordance with the legislative definition of administrative activities and the allocation of funds to subrecipients, will not exceed an aggregate amount of 10 percent of such funds for administrative purposes. See Policy 15-01 for additional information on the 10% administrative cap. The recipient shall not exceed the lesser of 5 percent of the total grant funds or \$3 million for the required clinical quality management (CQM) program. The recipient must expend not less than 75% of total grant funds, exclusive of administration and CQM expenses, for core medical services, unless waived by the Secretary.
4. Recipients must follow the guidance in all applicable HIV/AIDS Bureau Policy Notices and Program Letters to ensure compliance with programmatic requirements. See <http://hab.hrsa.gov/manageyourgrant/policiesletters.html>.
5. Recipients are required to track and report all sources of service reimbursement as program income on the annual Federal Financial Report and in annual data reports. All program income earned must be used to further the objectives of the RWHAP program. For additional information, see PCN #15-03 available online at <http://hab.hrsa.gov/manageyourgrant/policiesletters.html>.
6. RWHAP Part A recipients are required to use a minimum amount/percentage of this award to provide services to women, infants, children and youth (WICY) living with HIV/AIDS. The minimum set-aside amounts/percentages for each eligible metropolitan area/transitional grant area (EMA/TGA) must be determined separately for each priority population, and may not be less than the percentage of each population to the total number of persons estimated to be living with HIV/AIDS within the EMA/TGA. Waiver: If the recipient can document that one or more WICY priority populations are receiving HIV-related services through the state Medicaid program under Title XIX of the Social Security Act, the Children's Health Program (CHIP) under Title XXI of the same Act, or other qualified federal or state programs in accordance with HRSA guidelines, then the recipient may request a waiver of the minimum WICY expenditure requirement from HRSA. Recipients requesting a waiver may utilize the WICY Expenditure Report to document that all priority populations are receiving HIV/AIDS health services through other funding sources.
7. The recipient is required to notify the Division of Grants Management Operations (DGMO) and the Project Officer, within 30 days, of any changes in Planning Council Composition that impact legislative compliance with "reflectiveness" or the mandated membership categories. A letter signed by the Planning Council Chair(s) must be submitted assuring that 33% of the Council members are non-conflicted persons living with HIV/AIDS (PLWH/A) and are receiving Part A funded HIV-related services. In addition, the 33% PLWH/A Council members and the Council as a whole must accurately reflect the demographics of the epidemic in the EMA/TGA. Reflectiveness must be based on the prevalence of HIV Disease (AIDS Prevalence plus HIV Prevalence, real or estimated) in the EMA/TGA as reported in the current fiscal year application. The notification and letter must be accompanied by revised tables or narrative describing compliance with Planning Council Composition and Reflectiveness. Please submit all documentation via the HRSA EHBs Prior Approval Portal as type "Other", subtype "Other".
8. RWHAP funds may not be used to make cash payments to intended clients of core medical or support services. This prohibition includes cash incentives and cash intended as payment for RWHAP services. Where direct provision of the service is not possible or effective, store gift cards, vouchers, coupons, or tickets that can be exchanged for a specific service or commodity (e.g., food or transportation) must be used. Store gift cards that can be redeemed at one merchant or an affiliated group of merchants for specific goods or services that further

the goals and objectives of the RWHAP are also allowable as incentives for eligible program participants. Recipients are advised to administer voucher and store gift card programs in a manner which assures that vouchers or gift cards cannot be exchanged for cash or used for anything other than allowable goods or services, and that systems are in place to account for disbursed vouchers and store gift cards. Note: General-use prepaid cards are considered "cash equivalent" and are therefore unallowable. Such cards generally bear the logo of a payment network, such as Visa, MasterCard, or American Express, and are accepted by any merchant that accepts those credit or debit cards as payment. Gift cards that are cobranded with the logo of a payment network and the logo of a merchant or affiliated group of merchants are general-use prepaid cards, not store gift cards, and therefore are also unallowable.

9. Recipients are prohibited from using RWHAP funds to support Syringe Services Programs, inclusive of syringe exchange, access and disposal.
10. In accordance with the RWHAP client eligibility determination and recertification requirements (Policy 13-02), HRSA expects clients' eligibility be assessed during the initial eligibility determination, at least every six months, and at least once a year (whether defined as a 12-month period or calendar year) to ensure that the program only serves eligible clients, and that the RWHAP is the payer of last resort. Recipients are not allowed to provide RWHAP services under presumptive eligibility; eligibility must be confirmed prior to enrollment/recertification.
11. Any post-award changes in Part A and/or Minority AIDS Initiative (MAI) grant allocations must be submitted to the Project Officer along with a letter from the Planning Council Chair(s). Prior approval for rebudgeting is required when cumulative transfers among direct cost budget categories (i.e., Personnel, Fringe, Travel, Equipment, Supplies, Contractual, etc.) for the current budget period exceed 25% of the total approved budget (which includes direct and indirect costs) for that budget period or \$250,000, whichever is less; or moving costs between HAB funding categories would result in failure to meet the statutorily required distributions (e.g., exceeding 10% of the award amount for administration, failure to allocate at least 75% of the remaining funds for Core Medical Services, etc.); or substantial changes are made to the approved work plan or project scope (e.g., changing the model of care, transferring substantive work from personnel to contractual); or the recipient wants to purchase a piece of equipment that exceeds \$5,000 and was not included in the approved project budget/application.
12. Funds may not be used by recipients or subrecipients for the purchase of vehicles without written prior approval from the Division of Grants Management Operations (DGMO).
13. The recipient is required to meet specific requirements regarding the monitoring of both their grant and their subrecipients/providers as detailed in the *National Monitoring Standards for Ryan White Recipients*.
14. All Ryan White HIV/AIDS Program Part A, B, C, and D recipients must adhere to the legislative requirement to establish a clinical quality management program. HRSA HIV/AIDS Bureau expectations for clinical quality management are outlined in Policy Clarification Notice 15-02 (<http://hab.hrsa.gov/manageyourgrant/clinicalqualitymanagementpcn.pdf>).
15. Per 45 CFR §75.351 - 353, recipients must monitor the activities of their subrecipients as necessary to ensure that the subaward is used for authorized purposes, in compliance with Federal statutes, Ryan White HIV/AIDS Program legislative requirements, regulations, and the terms and conditions of the subaward; and that subaward performance goals are achieved. Recipients must ensure that subrecipients track, appropriately use, and report program income generated by the subaward. Recipients must also ensure that subrecipient expenditures adhere to legislative mandates regarding the distribution of funds.
16. Recipients are required to participate in the development of the Statewide Coordinated Statement of Need (SCSN) as facilitated by the RWHAP Part B recipient. As the HRSA guidance for the Integrated HIV Prevention and Care Plan indicates the SCSN is a component of the Integrated HIV Prevention and Care Plan, <http://hab.hrsa.gov/manageyourgrant/hivpreventionplan062015.pdf>, due to HRSA and CDC in September 2016. Therefore, recipients are required to participate in the Integrated HIV Prevention and Care Plan development.
17. In accordance with Program Policy No. 12-01, grant funds may not be used for: 1.) outreach programs which have HIV prevention education as their exclusive purpose, or 2.) broad-scope awareness activities about HIV services that target the general public.

Standard Term(s)

1. Recipients must comply with all terms and conditions outlined in their grant award, including grant policy terms and conditions outlined in applicable Department of Health and Human Services (HHS) Grants Policy Statements, and requirements imposed by program statutes and regulations and HHS grant administration regulations, as applicable; as well as any requirements or limitations in any applicable appropriations acts.
2. All discretionary awards issued by HRSA on or after October 1, 2006, are subject to the HHS Grants Policy Statement (HHS GPS) unless otherwise noted in the Notice of Award (NoA). Parts I through III of the HHS GPS are currently available at <http://www.hhs.gov/asfr/ogapa/aboutog/hhsgps107.pdf>. Please note that the Terms and Conditions explicitly noted in the award and the HHS GPS are in effect.
3. HRSA requires grantees to use the following acknowledgement and disclaimer on all products produced by HRSA grant funds:
"This project is/was supported by the Health Resources and Services Administration (HRSA) of the U.S. Department of Health and Human Services (HHS) under grant number and title for grant amount (specify grant number, title, total award amount and percentage financed with nongovernmental sources). This information or content and conclusions are those of the author and should not be construed as the official position or policy of, nor should any endorsements be inferred by HRSA, HHS or the U.S. Government."
Grantees are required to use this language when issuing statements, press releases, requests for proposals, bid solicitations, and other HRSA supported publications and forums describing projects or programs funded in whole or in part with HRSA funding. Examples of HRSA-supported publications include, but are not limited to, manuals, toolkits, resource guides, case studies and issues briefs.
4. Recipients and sub-recipients of Federal funds are subject to the strictures of the Medicare and Medicaid anti-kickback statute (42 U.S.C. 1320a - 7b(b) and should be cognizant of the risk of criminal and administrative liability under this statute, specifically under 42 U.S.C. 1320 7b(b) Illegal remunerations which states, in part, that whoever knowingly and willfully: (A) Solicits or receives (or offers or pays) any remuneration (including kickback, bribe, or rebate) directly or indirectly, overtly or covertly, in cash or in kind, in return for referring (or to induce such person to refer) an individual to a person for the furnishing or arranging for the furnishing of any item or service, OR (B) In return for purchasing, leasing, ordering, or recommending purchasing, leasing, or ordering, or to purchase, lease, or order, any goods, facility, services, or itemFor which payment may be made in whole or in part under subchapter XIII of this chapter or a State health care program, shall be guilty of a felony and upon conviction thereof, shall be fined not more than \$25,000 or imprisoned for not more than five years, or both.
5. Items that require prior approval from the awarding office as indicated in 45 CFR Part 75 [Note: 75 (d) HRSA has not waived cost-related or administrative prior approvals for recipients unless specifically stated on this Notice of Award] or 45 CFR Part 75 must be submitted in writing to the Grants Management Officer (GMO). Only responses to prior approval requests signed by the GMO are considered valid. Grantees who take action on the basis of responses from other officials do so at their own risk. Such responses will not be considered binding by or upon the HRSA.
In addition to the prior approval requirements identified in Part 75, HRSA requires grantees to seek prior approval for significant rebudgeting of project costs. Significant rebudgeting occurs when, under a grant where the Federal share exceeds \$100,000, cumulative transfers among direct cost budget categories for the current budget period exceed 25 percent of the total approved budget (inclusive of direct and indirect costs and Federal funds and required matching or cost sharing) for that budget period or \$250,000, whichever is less. For example, under a grant in which the Federal share for a budget period is \$200,000, if the total approved budget is \$300,000, cumulative changes within that budget period exceeding \$75,000 would require prior approval). For recipients subject to 45 CFR Part 75, this requirement is in lieu of that in 45 CFR 75 which permits an agency to require prior approval for specified cumulative transfers within a grantee's approved budget. [Note, even if a grantee's proposed rebudgeting of costs falls below the significant rebudgeting threshold identified above, grantees are still required to request prior approval, if some or all of the rebudgeting reflects either a change in scope, a proposed purchase of a unit of equipment exceeding \$25,000 (if not included in the approved application) or other prior approval action identified in Part 75 unless HRSA has specifically exempted the grantee from the requirement(s).]
6. Payments under this award will be made available through the DHHS Payment Management System (PMS). PMS is administered by the Division of Payment Management, Financial Management Services, Program Support Center, which will forward instructions for obtaining payments. Inquiries regarding payments should be directed to: ONE-DHHS Help Desk for PMS Support at 1-877-614-5533 or PMSSupport@psc.hhs.gov. 9. EO 13166, August 11, 2000, requires recipients receiving Federal financial assistance to take steps to ensure that people with limited English proficiency can meaningfully access health and social services. A program of language assistance should provide for effective communication between the service provider and the person with limited English proficiency to facilitate participation in, and meaningful access to, services. The obligations of recipients are explained on the OCR website at <http://www.hhs.gov/ocr/lep/revisedlep.html>.
10. This award is subject to the requirements of Section 106 (g) of the Trafficking Victims Protection Act of 2000, as amended (22 U.S.C. 7104). For the full text of the award term, go to <http://www.hrsa.gov/grants/trafficking.htm>. If you are unable to access this link, please contact the Grants Management Specialist identified in this Notice of Award to obtain a copy of the Term.
11. The Consolidated Appropriations Act, 2016, Division H, § 202, (P.L. 114-113) enacted December 18, 2015, limits the salary amount that may be awarded and charged to HRSA grants and cooperative agreements to the Federal Executive Pay Scale Level II rate set at \$185,100, effective January 10, 2016. This amount reflects an individual's base salary exclusive of fringe benefits. An individual's institutional base salary is the annual compensation that the recipient organization pays an individual and excludes any income an individual may be permitted to earn outside the applicant organization duties. HRSA funds may not be used to pay a salary in excess of this rate. This salary limitation also applies to sub-recipients under a HRSA grant or cooperative agreement. The salary limitation does not apply to payments made to consultants under this award although, as with all costs, those payments must meet the test of reasonableness and be consistent with recipient's institutional policy. None of the awarded funds may be used to pay an individual's salary at a rate in excess of the salary limitation. Note: an individual's base salary, per se, is NOT constrained by the legislative provision for a limitation of salary. The rate limitation simply limits the amount that may be awarded and charged to HRSA grants and cooperative agreements.
12. To serve persons most in need and to comply with Federal law, services must be widely accessible. Services must not discriminate on the basis of age, disability, sex, race, color, national origin or religion. The HHS Office for Civil Rights provides guidance to grant and cooperative agreement recipients on complying with civil rights laws that prohibit discrimination on these bases. Please see <http://www.hhs.gov/ocr/civilrights/understanding/index.html>. HHS also provides specific guidance for recipients on meeting their legal obligation under Title VI of the Civil Rights Act of 1964, which prohibits discrimination on the basis of race, color or national origin in programs and activities that receive Federal financial assistance (P. L. 88-352, as amended and 45 CFR Part 75). In some instances a recipient's failure to provide language assistance services may have the effect of discriminating against persons on the basis of their national origin. Please see <http://www.hhs.gov/ocr/civilrights/resources/laws/revisedlep.html> to learn more about the Title VI requirement for grant and cooperative agreement recipients to take reasonable steps to provide meaningful access to their programs and activities by persons with limited English proficiency.
13. Important Notice: The Central Contractor registry (CCR) has been replaced. The General Services Administration has moved the CCR to the System for Award Management (SAM) on July 30, 2012. To learn more about SAM please visit <https://www.sam.gov>.

It is incumbent that you, as the recipient, maintain the accuracy/currency of your information in the SAM at all times during which your entity has an active award or an application or plan under consideration by HRSA, unless your entity is exempt from this requirement under 2 CFR 25.110. Additionally, this term requires your entity to review and update the information at least annually after the initial registration, and more frequently if required by changes in your information. This requirement flows down to subrecipients. Note: SAM information must be updated at least every 12 months to remain active (for both grantees and sub-recipients). Grants.gov will reject submissions from applicants with expired registrations. It is advisable that you do not wait until the last minute to register in SAM or update your information. According to the SAM Quick Guide for Grantees (https://www.sam.gov/sam/transcript/SAM_Quick_Guide_Grants_Registrations-v1.6.pdf), an entity's registration will become active after 3-5 days. Therefore, check for active registration well before the application deadline.

14. In any grant-related activity in which family, marital, or household considerations are, by statute or regulation, relevant for purposes of determining beneficiary eligibility or participation, grantees must treat same-sex spouses, marriages, and households on the same terms as opposite-sex spouses, marriages, and households, respectively. By "same-sex spouses," HHS means individuals of the same sex who have entered into marriages that are valid in the jurisdiction where performed, including any of the 50 states, the District of Columbia, or a U.S. territory or in a foreign country, regardless of whether or not the couple resides in a jurisdiction that recognizes same-sex marriage. By "same-sex marriages," HHS means marriages between two individuals validly entered into in the jurisdiction where performed, including any of the 50 states, the District of Columbia, or a U.S. territory or in a foreign country, regardless of whether or not the couple resides in a jurisdiction that recognizes same-sex marriage. By "marriage," HHS does not mean registered domestic partnerships, civil unions or similar formal relationships recognized under the law of the jurisdiction of celebration as something other than a marriage. This term applies to all grant programs except block grants governed by 45 CFR part 96 or 45 CFR Part 98, or grant awards made under titles IV-A, XIX, and XXI of the Social Security Act; and grant programs with approved deviations.

Reporting Requirement(s)

1. Due Date: 07/30/2017

The recipient must submit a Final Federal Financial Report (SF-425) using the EHBs. This report should reflect cumulative reporting within the project period.

The Federal Financial Report will not be accepted unless the grantee completes the required attachment providing a breakout of their award amounts, any approved carryover, and the respective expenditures for each of the sections listed below, in this format (authorized - expended = unobligated):

1. The Formula amount
2. The Supplemental amount
3. The MAI amount
4. The carryover amount from the prior year

A final FFR may not include unliquidated obligations and must agree with the PMS report of disbursements and advances for the document number for the budget period being reported.

If the recipient has an unobligated balance of FY 2015 Part A formula and/or Part A MAI funds, the grantee must:

- a) Attach and upload a carryover request with their FFR submission within the EHBs Prior Approval module; or
- b) Indicate in their FFR their intent to submit a carryover request separately, and submit the request, via the Prior Approval Module, within 30 days of the FFR submission; or
- c) Indicate on the FFR their intention to NOT submit any carryover request

Failure to comply with these reporting requirements will result in deferral or additional restrictions of future funding decisions.
